During the past sixteen years the South Central Illinois Shorthorn Breeders' Association has sold close to half a million dollars worth of Shorthorn cattle at auction.

This period has seen rapid progress among the herds as breeders have consistently selected herd improving sires. Consequently, better cattle have been offered for sale and buyers have agreed this is "a good place to buy."

We urge you to attend the 28th Association Sale.

Money making cattle will be presented at prices you can afford to pay.

Convert the forage and roughage of your farm to dollars.

A breeding herd is one of the best investments you can make today.

A. J. KAMM, Sale Manager,

Atwood, Illinois

GENERAL INFORMATION

TIME—Thursday, June 11, 1953. Sale will start at 12:30 P. M. (C.S.T.)

LOCATION—The sale will be held at the Arthur Sale Barn, one-half mile north of Arthur, Ill., and 4 miles south of U. S. Highway 36; one and one-half miles north of State Highway 133.

TERMS—The terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank reference. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase or by the time the bull is twenty months of age if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal ~~certified~~. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sires and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

The above Guarantee and Terms shall constitute a contract between consignor and buyer of each lot. Neither the South Central Illinois Shorthorn Breeders Association, the Sale Manager, nor the Clerk of the Sale assumes any liability, legal or otherwise.

Where footnotes appear in this Catalog, they were furnished by the Consignors or written from information supplied by the Consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety of our guests.

MAIL BIDS—Those wishing to buy at this sale who cannot be present may send their bids to **Hal Longley**, of the Shorthorn World, to any of the Consignors or to the Auctioneers.

AUCTIONEERS—**J. E. Halsey**, Des Moines, Iowa; **H. P. Miller**, Danvers, Illinois.

A. J. KAMM, Sale Manager, Atwood, Illinois.

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring $1\frac{1}{4}$ pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.
